Failure to contact the superintendent within the four days will be considered authorization for him to remove any or all of the florals that have become unsightly or disarranged.  
(c) Florals or artificial materials will be removed by the superintendent when they become faded, weather-beaten, or otherwise unsightly and objectionable to the general appearance of the cemetery. Special occasion artificial arrangements (such as for Easter, Mother's Day, Christmas, etc.) will be removed after 30 days.

It shall be the duty of the owner notified as aforesaid to trim or prune the tree, shrub or bush.  
(c) *Effect of noncompliance with notice.* If any owner of any lot in the cemetery notified to trim or prune the tree, shrub or bush fails or refuses to prune or trim the same within five days after notice from the city cemetery superintendent as aforesaid, then the superintendent shall notify the city council, who if they deem it right and proper shall order the superintendent to trim or prune or remove or cause to be removed any such tree, shrub or bush at the expense of the owner of any such lot.
