## **The City of Newnan launches new Yard Debris & Bulk Waste Service for all city residents**

### **New Day, New Way, Same Great Rates**

Newnan, Georgia (February 1, 2013) – The City of Newnan is launching its new yard debris and bulk waste items service pickup beginning March 4, 2013.

All city residents should have received notice by mail from Waste Industries on what their **new pick up day for all trash will be**. Household garbage and recycling is also included on this new day of pick up.

### List of Prohibited Items and Placement guidelines for new yard debris /bulk waste service

- tires
- batteries
- paint thinner
- motor oil
- gasoline
- paint or paint cans (excluding empty paint cans or paint cans filled with absorbents to dry out the paint)

- bulky waste containing chlorofluorocarbon refrigerants or Freon
- Don't block sidewalks or the street when setting out yard debris and bulk waste items.
- Take care when setting out yard debris such that it does not block drains or otherwise wash into a storm drain and ultimately into a creek or stream.

***For yard debris and bulk waste items service contact the City of Newnan directly at 770-253-0327 or visit [www.ci.newnan.ga.us](http://www.ci.newnan.ga.us) .***

***For all regular garbage or recycling services and billing, please contact Waste Industries at 770.474.9273 or visit [www.wasteindustries.com](http://www.wasteindustries.com)***
