Additional Requirements: Please submit one site plan diagram showing the site property boundaries, structures on the site, location of either proposed or existing fence and layout of pool, including mechanical devices for the pool, i.e. pump equipment.

All residential pools, hot tubs and hydros spas must conform to Sec. 33.060(4)(q) and table 33.02 of the City of Newnan's Zoning Regulations and the International Residential Code:

\*All above-ground or in-ground swimming pools shall be installed no closer than ten (10) feet to any property line and principal building measured from the nearest water surface, exclusive of the decking, which shall be located no closer than five (5) feet from any property line and principal building; swimming pools shall be located in the rear or non-street yard of the property;

\*All pools having a depth of eighteen (18) inches or greater at the deepest point shall be enclosed by a fence or wall of not less than four (4) feet in height with locks forty eight (48) inches from the ground on any gates on the fence. The fence or wall shall be designed so that a four (4.0) inch diameter sphere cannot pass through any opening. A permanent principal or accessory building may be used as part of such enclosure (See IRC Sec. AG105);

\*All gates or doors opening through such fence or wall shall have self-closing and self-latching devices which keep the gate or door closed at all times when not in actual use.

\* An electrical permit must be pulled and a bonding inspection must be performed before cover-up.

**I certify that I have read this application and state that the above information is correct, and agree not start the proposed project until this application has been approved and I have received a permit card. I certify that I have the authority to request and sign for this permit as, or on behalf of, the property owner. I agree to comply with the laws of this state and the zoning regulations established by the City of Newnan, and any violation of these will cause immediate revocation of the permit.**
